From the Chief of Police

Everyone enjoys receiving recognition for their efforts. We are interested in hearing about the observations of any commendable act or behavior by an employee of the Cloverdale Police Department.

Our employees do not expect to be commended for what they do, however, recognition of exceptional service is always welcomed and a commendation is one of the best ways to let someone know that you appreciate their work. A commendation may address any event that you deem noteworthy and may range from the display of unusual courtesy or compassion, to significant lifesaving measures or heroic acts.

The Cloverdale Police Department is committed to providing the best service possible and citizen feedback is essential if we are to succeed in this goal. A commendation takes only a few minutes to complete and the associated staff members will be notified. A copy of the commendation will be placed in their personnel file.

Thank you!

*Chief of Police,
Stephen Wayne Cramer*
