Job Announcement: Temporary/ Seasonal Parks & Landscape Maintenance Worker

The Cloverdale Community

Incorporated in 1872, the City of Cloverdale, CA is located 80 miles north of San Francisco and 80 miles east of the Pacific coast on Hwy 101. The City is 2.7 square miles, with a population of 9,200.

Cloverdale is ideally situated in the northern Alexander Valley basin in Sonoma County — the heart of the wine country. Recreation opportunities abound in the City and its surroundings, including the 70 acre Russian River Park and 420 acres of protected hillside open space, and beautiful Lake Sonoma, located minutes from town.

Cloverdale's vision is as an arts and culture destination of great natural beauty. Examples of this vision are Cloverdale's 99-seat Performing Arts Center, the Historical Society, downtown art galleries and our proximity to the outdoor recreation opportunities mentioned above.

Cloverdale has a traditional and vocational high school, one junior high, and one elementary school. Santa Rosa Junior College is located 35 miles to the south. Sonoma State University is located about 45 miles south in Rohnert Park.

The Public Works Department

The Department is responsible for planning, designing, construction, operation and maintenance of the City's infrastructure; public streets (including sidewalks, street and traffic signals, signs and pavement markings); the water system (including production, treatment, storage and distribution); the sewer system (including collection, pumping, treatment, and disposal); storm drain; public facilities; municipal airport; parks; lighting & landscaping district (7 zones); engineering; and plan review/building inspection.

The City Organization

The City of Cloverdale operates under the Council-Manager form of government. It is governed by a five-member Council, elected at-large. The Council sets policy and adopts the annual budget.

The Position

Under the direction of the Parks & Landscape Lead Worker, the temporary/seasonal worker duties will predominantly be mowing and string trimming but may perform a variety of duties assisting with the upkeep of the City's Landscape and Lighting District (L&L's) and municipal parks, including planting, pruning of trees and shrubs, deadheading, weeding, fertilizing, and irrigation system repair.

Example of duties may include:

- Maintains planted areas, repairs irrigation systems; operates and maintains vehicles; heavy machinery, and a variety of equipment; may apply fertilizers and pesticides
- Inspects parks for safety issues; maintains bar-becue and picnic areas
- Performs routine landscape and facility maintenance work, such as sweeping, raking, weed-eating, weeding by hand and hand pruning

Incumbent in this position will work outdoors in all types of weather conditions.

This is a temporary position and limited to a 1000 hours per fiscal year. The work schedule will be determined the Parks and Landscape Lead Worker.

Education , Experience & Certification

A typical way of obtaining the required qualifications is to possess the equivalent of two years of significant, directly related, and progressive education and experience in landscape maintenance, and a high school diploma or equivalent. Possession of CA California driver's license.

Compensation

- Hourly Rate: \$20.00
