

**CITY OF CLOVERDALE
CITY COUNCIL**

RESOLUTION NO. 020-2021

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CLOVERDALE
APPROVING THE CITY OF CLOVERDALE EMERGENCY OPERATIONS PLAN
AND AUTHORIZING THE CITY MANAGER TO EXECUTE SAID PLAN**

WHEREAS, the City of Cloverdale's Emergency Operations Plan (EOP) is designed to identify the City's emergency planning, organization, policies, procedures, and response to extraordinary emergencies associated with natural disasters, technological incidents, and national security emergencies; and

WHEREAS, the emergency plan establishes the emergency management organization required to mitigate any significant emergency or disaster affecting the City of Cloverdale, identifies the responsibilities, policies, and procedures required to protect the health and safety of the City of Cloverdale population, public and private property, and the environmental effects of natural and technological emergencies and disasters, and establishes the operational concepts and procedures associated with field response to emergencies, and City Emergency Operations Center (EOC) activities; and;

WHEREAS, the police department began the process of updating the City of Cloverdale's emergency operations plan which was last updated in 2007; and

WHEREAS, the outdated plan lacked a comprehensive approach to identifying strategic goals and objectives necessary to address significant emergencies the community has experienced within the past five; and

WHEREAS, the City of Cloverdale has experienced threats of wildland fires, floods, Public Safety Power Shutoffs, and a pandemic thus, increasing the need for an updated emergency operations plan that includes the tools necessary in responding to these specific extraordinary events; and

WHEREAS, the updated emergency operations plan incorporates Wildfire, Earthquake, Flood and Power Safety Shutoff Annex's designed to ensure a coordinated response for city departments, community groups such as Resilient Cloverdale, and allied stakeholders and provides direction per the California Emergency Service Act, and the Standardized Emergency Management System (SEMS); and

WHEREAS, the Annex's serve as a planning document to support further development of major incident plans with city departments and agencies, and provide an overview of the threats these emergencies pose to the city; and

WHEREAS, the updated plan incorporates Sonoma County's Department of Emergency Management Mass Sheltering Annex which addresses actions taken in response to red flag warnings, flood warnings, and notices of potential public power safety shutoffs during the pandemic and provides prevention measures needed to protect individuals from infection and provides direction for Operational Area stakeholder organizations including, the City of Cloverdale, and ensuring interagency; and

WHEREAS, the updated emergency operations plan also addresses how the city will respond when looming disasters are imminent and evacuations are necessary; and

WHEREAS, the city did not have an evacuation plan identifying zone boundaries or evacuation routes that are critical for traffic safety and emergency response; and

WHEREAS, through a coordinated effort with Sonoma County and the Cloverdale Fire Protection District, the plan provides for an evacuation zone map outlining six evacuation zones within the incorporated city and identifies a primary and secondary evacuation route for each zone to ensure efficient traffic flow; and

WHEREAS, the updated emergency operations plan addresses how the City will respond to extraordinary events or disasters: from preparation through recovery. A hazard analysis is also included in the plan. The responsibilities of each department are identified in matrixes, which are based on each identified hazard or emergency.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Cloverdale hereby approves the City of Cloverdale Emergency Operations Plan and authorizes the City Manager to execute said plan on behalf of the City.
